## Detroit Fall Gathering

October 24, 2009 Lord Willing

Sept 1, 2009

Dear Parents and Young People,

We are looking forward to you joining us at our Fall Gathering, Lord Willing. We anticipate a fun Fall Saturday together studying The 8 Signs in the Gospel of John and enjoying the wonderful outdoors. .

**This is the homework for Grades 3 - 5** to complete to come to the Gathering. If you set aside some time each week from now until the end of October to do the homework you should be able to complete your assignments before the Gathering.

As always, we ask that you **do the Bible Marking first**. Your assignment is on the next page according to your grade.

**After you finish your assigned Bible Marking please do the Bible Study.** Once again your assignment is on the next page.

We are hoping to have fun activities again this year. Therefore we encourage you to make sure to get your homework done so you can fully participate in all our activities on the weekend. We look forward to working, studying and playing with you.

Please be sure to call Auntie Ruth at 1-800-777-2895 if you have problems with this Bible Marking or Bible Study. .

Don't forget your Bible, hymnbook, Homework Notebook, swim suit and towel, Sunday Clothes, Sleeping Bag, etc and outdoor play clothes.

May God bless us in the study of His Word,  
Love from Auntie Ruth Robinson

1. Look up John 19:25. There are four women listed who stood by the foot of Jesus' cross. These women are called different things in different gospels, so we will make a chart of them. List the four women in the first column of the chart

	John 19:25	Mark 15:40	Matthew 27:56
A			
B			
C			
D			

2. Look up Mark 15:40. Three of the four women are listed, but they are called different things. Who is the first woman listed? Write her name in the proper row of the second column (ie, matching up with her name from John 19:25).
3. Who is the last woman listed in Mark 15:40? \_\_\_\_\_  
 Could she be the same as the woman in row A? \_\_\_\_ Why not? \_\_\_\_\_  
 Could she be the same as the woman in row C? \_\_\_\_ Why not? \_\_\_\_\_  
 Could she be the same as the woman in row D? \_\_\_\_ Why not? \_\_\_\_\_  
 There is only one woman that she could match up with. Write her name in the proper row of the second column.
4. Who is the second woman listed in Mark 15:40? Where would she probably fit in the second column? Write her name in the chart.
5. Which woman from John 19:25 is left out of Mark 15:40? \_\_\_\_\_
6. Look up Matthew 27:56. Again three of the four women are listed, but again they are called different things. Who is the first woman listed? Write her name in the proper row of the last column.
7. Who is the second woman listed? Write her name in the proper row of the last column.
8. Who is the last woman listed? \_\_\_\_\_  
 Could she be the same as the woman in row A? \_\_\_\_ Why not? \_\_\_\_\_  
 (Hint: do you remember the name of the row A woman's husband?) Write the name of the last woman from Matthew 27:56 in the proper row of the last column.
9. Which woman from John 19:25 is left out again? \_\_\_\_\_
10. Row C on the chart gives us a whole family: husband, wife, and two sons. Fill in Family Tree #1 for this family.
11. Row B on the chart also gives us a family, but only the husband and wife are listed. Fill in the husband and wife on the right side of Family Tree #2.
12. Do you know the names of their children? If not, you can find their names in Matthew 4:21. Fill in their names on the family tree.
13. Who is the wife's sister (hint: look back at the chart above)? Fill in her name on the family tree.
14. We know the name of the wife's sister's son (the son of the woman in question 13). Fill in his name on the family tree.
15. Do you know the name of the wife's sister's husband? (the husband of the woman in question 13) If not, you can find his name in Matthew 1:18. Fill in his name on the family tree.
